

## 2023 Kansas Statutes

**79-32,301. Targeted employment business information reporting requirements to secretary of revenue; rules and regulations.** (a) Any targeted employment business seeking to qualify for a tax credit pursuant to K.S.A. 2023 Supp. 79-32,300, and amendments thereto, shall provide to the secretary of revenue the names of each eligible individual employed and the wage rate per hour, hours worked and gross wages paid, minus any compensation for leave, for each eligible individual and such other information as the secretary of revenue may require.

(b) The secretary of revenue and the secretary for aging and disability services are hereby authorized to adopt such rules and regulations as may be necessary for the administration of the provisions of the Kansas targeted employment act.

**History:** L. 2022, ch. 70, § 4; July 1.
