

HB 2760, on page 102, following line 32, by inserting the following:

(i) (1) During the fiscal years ending June 30, 2012, and June 30, 2013, the department of education or any school district shall not expend any additional moneys appropriated for the fiscal year ending June 30, 2012, or June 30, 2013, from the state general fund or in any special revenue fund or funds for such state agency by chapter 118 of the 2011 Session Laws of Kansas or by this or other appropriation act of the 2012 regular session of the legislature, to implement the common core standards, or any portion thereof: *Provided*, That the division of post audit shall conduct a feasibility study of a cost analysis of the implementation of the common core standards in Kansas: *Provided further*, That a report on the results of the feasibility study shall be prepared and submitted to the legislative post audit committee on or before September 30, 2012: *And provided further*, That upon the request of the legislative post audit committee, the division of post audit shall conduct a cost analysis of the implementation of the common core standards in Kansas: *And provided further*, That the cost analysis shall determine what additional expenditures schools, the department of education and the state board of education will incur in implementing the common core standards over one, three, five and 10 year periods from the date of implementation: *And provided further*, That the cost analysis shall be conducted in accordance with article 11 of chapter 46 of the Kansas Statutes Annotated, and amendments thereto: *And provided further*, That if a cost analysis is requested by the legislative post audit committee pursuant to this subsection, the final cost analysis report shall be submitted to the governor, the legislature and the state board of education on or before January 31, 2013: *And provided further*, That upon receipt of the final cost analysis, the state board of education shall post the cost analysis on the main website of the department of education.

(2) During the fiscal year ending June 30, 2013, when all of the requirements of subsection (i)(1) are satisfied, in addition to the other purposes for which expenditures may be made by the department of education in fiscal year 2013 from the state general fund or in any special revenue fund or funds for such state agency by chapter 118 of the 2011 Session Laws of Kansas or by this or other appropriation act of the 2012 regular session of the legislature, the above agency may proceed with the implementation of the common core standards, and the provisions of subsection (i)(1) are hereby declared to be null and void and shall have no force and effect.

(3) As used in this subsection, "common core standards" means the set of educational curriculum standards for grades kindergarten through 12 established by the common core state standards initiative.
