

Testimony submitted by Sedgwick County Election Commissioner, Tabitha Lehman

February 1<sup>st</sup>, 2012

Regarding HB 2437

It is the sworn duty of the County Election Officer to maintain an accurate voter registration database. Citizenship verification is a tool, vitally necessary to ensure that only those qualified under State and Federal law are registered to vote in the state of Kansas.

With the processes clearly defined, moving forward with the implementation of this requirement will be both timely and beneficial to the successful administration of the statewide voter registration database.

Please support HB 2437.

Sincerely,

A handwritten signature in cursive script that reads "Tabitha Lehman".
