

Proposed SUBSTITUTE for HB 2661
Requested by Rep. Sloan
Prepared by M. Sterling
2/16/2012

The state corporation commission shall mediate any disputes concerning the service territory of a public utility upon the request of:

- (a) Any residential customer residing outside the corporate city limits of a city that owns or operates a municipal utility that furnishes such customer with electricity;
- (b) a municipal utility that furnishes electricity to a residential customer that resides outside the corporate city limits of such city; or
- (c) any other public utility that wishes to furnish electricity to a residential customer residing outside the corporate city limits of a city, but within the service territory of a municipal utility owned or operated by such city.
