Hi my name is Margaret Syrokosz and I'm a Voter in Pottawatomie Kansas.

Please support HB 2094 for a Conscientious Exemption to state-mandated vaccinations.

I'm a Mother of five soon to be six and it's very important to me to research and make an informed decision for myself and my family. I think we all deserve to have Parental Rights and the Freedom of Conscience! We as Kansans need to keep up with all the other 49 States and have at least a Medical and or Religious Exemption and even go a step further and add a conscience one too! This is the United States of America and I'm proud to have my rights!

Thank You,

Margaret Syrokosz
