**Subject:** Opposed to Massage Therapy Licensure Bill (HB2564)

Dear Representative Landwehr,

My name is Carol Rubino of Salina, KS. I am a massage therapist and have been in practice for the last 16years. I have recently read the Massage Therapy Licensure Bill (HB2564). I am completely opposed to licensure of massage therapy for Kansas.

I will be attending the public meeting on HB2564 at the House Committee, February 8th at 1:30pm.

I have attached my letter stating my reasons to deny HB2564. Thank you for your time.

Sincerely,

Carol Rubino
