

Carpe Diem Schools

Carpe Diem, a tuition-free Arizona public school system, is truly “seizing the day” and changing the ecology of education. Carpe Diem schools are leveraging technology to make education more relevant, more efficient, and more effective. We give you the power to choose. Your options include our Carpe Diem Yuma Campus (Our Place) or Carpe Diem Online (Your Place), which utilizes strategically located Student Support Centers.

Carpe Diem integrates teacher-proven instructional strategies with today’s technology to equip students with the skills they need in the global marketplace. Carpe Diem’s approach to next generation learning allows middle and high school students to learn independently, while enjoying lesson support provided by a group of dedicated, highly qualified teachers.

Carpe Diem is accredited by the North Central Association Commission on Accreditation and School Improvement (NCA CASI) and AdvanceED™.
