TESTIMONY ON HB 2298

SENATE FEDERAL AND STATE AFFAIRS

MARCH 1, 2012

Thank you Mr. Chair and Members of the Committee. I stand before you today to testify on HB2298. Most agencies have flexibility on their spending. They are allowed to transfer money from one account into another without Legislative approval, but the Commission on Veteran's Affairs currently does not have that flexibility. This is a simple bill that just gives authority to the Commission to transfer those funds as needed.

Mr. Chair, I stand for questions.

Thank you
