Testimony concerning HB 2613

By: Senator Dick Kelsey

A handwritten signature in black ink, appearing to be 'DK' with a flourish, written over the printed name 'Senator Dick Kelsey'.

Committee:

I would like to stand in strong support of HB 2613. The person who is the driving force behind this bill has lived in my district for many years. The severe situations she refers to happened in my district. I have spent a great deal of time over the years with this family. I do believe this bill will help protect them from a very real possibility of a potentially violent situation.

I urge you to move this bill out of committee and to the Senate Floor.

Senator Dick Kelsey
