The Senate Ways & Means Committee

Please let it be known that Construction and General Laborers Local 1290 is opposed to the Senate Bill 2515 that is currently being presented to your Committee. We feel that this bill is a step backwards for the hard working men and women in the State of Kansas and could have a devastating effect on their ability to make a livable wage that support their families and their communities.

Sincerely,

Mike Kane
Political Affairs
Laborers' Local 1290
