**April 18, 2011**  
**10:07 a.m.**

Chairman Rhoades welcomed committee members and reviewed the meeting agenda.

### **Overview of Items for Omnibus and Financial Reports**

J.G. Scott, Legislative Research Department, provided an overview of the Items for Omnibus Consideration document ([Attachment 1](#)) which is incorporated into these minutes. He stated that based on the April 15, 2011 Consensus Revenue Estimates the FY 2011 ending balance is \$86 million and the ending balance for FY 2012 is \$80 million.

Amy Deckard, Legislative Research Department, provided an overview of the Consensus Caseload Estimates for FY 2011 and FY 2012, ([Attachment 1](#)). She stated that the combined increase for FY 2011 and FY 2012 is \$46.9 million in all funds and \$10.1 million in SGF. The FY 2011 estimate is an increase from all funding sources of \$2.2 million and a decrease of \$1.2 million from the SGF as compared to the Governor's recommended budget. The FY 2012 estimate is an increase of \$44.6 million for all funding sources and includes \$11.3 million from the SGF.

Amy Deckard responded to questions from committee members regarding the base Medicaid matching rate and caseload expenditures. She stated that the last caseload estimate in November, 2011 in all funds was \$49.3 million, and the difference between FY 2011 and FY 2012 represents a \$248 million increase in SGF. As entitlement programs caseloads are fully funded, however payments to providers could be suspended until the next fiscal year. She provided an explanation of the federal government's Medicaid funding and the Cost Containment and Recovery Contract.

Dylan Dear, Legislative Research Department, provided an overview of the Consensus Revenue Estimate for ELARF ([Attachment 1](#)). He stated that the FY 2011 estimate is \$33.5 million and is an increase of approximately \$374,000 due in part to increased revenues from the SW gaming zone. All ELARF revenue is transferred to the SGF for FY 2011 and is included in the Governor's recommendations for FY 2012. The FY 2012 revenue estimate is \$33.9 million, Dylan added.

Dylan Dear responded to questions from committee members regarding factors for determining projected revenues. Committee members requested additional information regarding revenues coming in to and going out of state, the number of jobs and employees, and the economic impact. He reviewed the phases involved with expanded gaming.

Alan Conroy, Director, Legislative Research Department, provided an overview of the Consensus Estimating Group Estimates, ([Attachment 1](#)). He discussed the impact of the federal tax legislation, which is estimated to reduce SGF revenues by \$77 million total for FY 2011 and FY 2012. The estimates were

The motion was renewed. Motion carried.

### **Kansas Guardianship Program**

Michael Wales, Legislative Research Department, stated that the committee review at Omnibus was to look at adding the funding back for the reduced resources package. He responded to questions from committee members and noted that under the current reduced resources package caregivers would receive a stipend of \$30 and payment would be stopped for reports that have not been received within 90 days. Currently there are 11 FTE positions and the Governor's recommendation would eliminate 1 FTE position.

Amy Deckard, Legislative Research Department, provided an overview of the Children's Initiative Fund, (Attachment 1). She stated that the tobacco settlement estimated for FY 2011 and FY 2012 was \$60.5 million. The revised estimate for FY 2011 is \$57 million and the FY 2012 revenue estimate is \$55.8 million. There is ongoing litigation concerning payments owed by the tobacco companies, and she reviewed the timeframe for payment of expenditures and funding sources.

### **Department of Social and Rehabilitation Services**

Committee members discussed the House position, which added \$1.5 million to the SGF for the Developmental Disabilities Day and Residential grants, and \$2 million for the waiting list. The funding for the Mental Health State Aid, and the impact of a 5% budget reduction to SRS was reviewed. The House position restores \$7 million, it was noted. Discussion continued regarding Medicaid and grant funding for mental health facilities.

Amy Deckard, Legislative Research Department, responded to questions from committee members regarding the impact of budget reductions for Mental Health facilities. She stated that in FY 2010 – FY 2011, \$28.6 million was received in grant funding, the Governor's recommendation is \$13.4 million for FY 2012 and the committee's recommendation was to restore \$7.24 million. Additional information regarding plans to implement a 5% department reduction will be forthcoming, it was noted.

### **Department of Health and Environment – Health Care Finance/Kansas Health Policy Authority**

Representative Gordon made a motion for an amendment that would increase the Board of Healing Arts fee fund expenditure limitation by \$160,000 for FY 2012 and FY 2013 and the board would raise fees to match this increase for the purpose of hiring a part-time contracted medical director (Attachment 4). The motion was seconded by Representative Lane.

Discussion followed by committee members regarding the board's flexibility to raise fees for this position.

Dorothy Hughes, Legislative Research Department, responded to questions from committee members regarding salary issues and job responsibilities. Without additional expenditure authority the board would not be able to access additional money. She added that only clinical staff and no medical doctor have been hired to date, the salary and support staff needs has not been identified. The board has approved the proposal, she added.

Representative Gordon withdrew the motion with the approval of the second to the motion.

Representative Gordon made a motion for an amendment that would allow the Board of Healing Arts to raise expenditure limitations to \$100,000 and raise fees to \$60,000 for the purpose of hiring a part-time contracted medical director. Representative Lane seconded the motion. Motion carried.

### **Children's Initiative Fund**

Representative Crum reported that members of the subcommittee met and decided that the Conference Committee would be in a better position to work with budget issues for this fund, due to the timeframe.

Representative Henry reported that the Children's Cabinet should make the recommendations for the committee's consideration.

### **Veterinary Medicine Application Process**

Audrey Dunkel, Legislative Research Department, presented additional information on the College of Veterinary Medicine (Attachment 5), as requested by committee members. The graduation rate for the program is 98%. Additional information was requested by members regarding; out-of-state tuition rates as compared to Kansas rates, the number of Kansas applicants interviewed and offered positions, rural veterinarians working with large animal care, and the number of graduates who remain in Kansas will be forthcoming, she noted. A scholarship program is available for rural veterinarians, there are 28 veterinarian schools in the state and Kansas receives the lowest in-state support in the nation, she added.

### **Department of Agriculture**

Representative Schwartz made a motion for a proviso that would charge fees for laboratory testing services provided by the Department of Agriculture. (Attachment 6). The motion was seconded by Representative Lane.

Representative Schwartz noted that this fee service could come from other states as well as Kansas.

Jim Wilson, Office of the Revisor of Statutes, stated that a clause was omitted from the proviso. The proviso should include that the proceeds from the fees would be deposited to the credit of special revenue funds as designated by the Secretary of Agriculture.

Representative Schwartz included in the motion for a proviso that fees would be deposited to the credit of special revenue funds as designated by the Secretary of the Department of Agriculture.

The motion was renewed. Motion carried.

### **State Water Plan Fund**

Representative Schwartz discussed the budget shortfall of \$270,000 for the State Water Plan Fund, which was a technical error in drafting of a House floor amendment.

## CONTINUATION SHEET

Minutes of the House Appropriations Committee on April 18 & 19, 2011, in Room 346-S of the Capitol. Jim Wilson, Office of the Revisor of Statutes, stated that last session there was \$300,000 authorized and transferred to the new special revenue fund but was never used as it was not appropriated. The supplemental provisions of the bill placed the money in the Water Fund – abolishing the fund and transferring the obligation to a standard fund. The language in the bill would restore the money from the State Water Plan Fund from the Standardized Data Repository Fund. He reviewed the floor amendment which was a different approach from a different funding source.

The motion was renewed. Motion carried.

### **Department on Aging**

Representative Henry requested an update from the Secretary of the Department on Aging regarding layoffs and departmental plans in order to fulfill budget requirements.

Chairman Rhoades stated an update by the secretary will be scheduled for next week.

### **Kansas Commission on Peace Officers Standards and Training**

Representative Gatewood reviewed the Fiscal Note for **SB 82** (Attachment 7). He noted that **SB 93** has **SB 82** provisions included in the bill and is currently in Conference Committee. This includes the request for 1.5 FTE positions for the Kansas Commission on Peace Officers Standards and Training (CPOST) and additional expenditures of approximately \$95,000 for salary, wages and operating expenses he added.

Representative Gatewood made a motion for an amendment to adopt the Fiscal Note adding the expenditures from the CPOST fund for the 1.5 FTE positions. The motion was seconded by Representative Kelley.

Representative Gatewood responded to questions from committee members. He stated that CPOST funding sources come from docket fees assessed by municipal courts and the ending balance reflects \$341,000. Discussion continued regarding investigative procedures.

The motion was renewed. Motion failed.

### **Human Services Caseloads**

Representative Crum stated that an additional \$11.3 million would be required to fund the Human Service Caseloads for FY 2012, based on the revised budget.

Representative Crum made a motion for an amendment that would fund the Human Service Caseloads increase of approximately \$11.3 million from SGF by reducing the base state aid per pupil K -12 by \$17. The motion was seconded by Representative Mast.

Discussion followed by committee members. It was noted that there may be savings forthcoming in the way that Medicaid is funded. The motion would reduce the base state aid per pupil to \$3,745 from the current proposal of \$3,762 for a total reduction in the base of \$267.00.

The motion was renewed. Motion failed.

### **Social Rehabilitation Services**

Gary Haulmark, Legislative Director, Social Rehabilitation Services, reviewed options for the department's reductions (Attachment 8). He stated that no decisions have been made at this time, the list is not prioritized and represents approximately \$20 million in budget reductions, which has been reviewed by Secretary Siedlecki. A review and discussion of these cost savings items would need to take place with the stakeholders in order to meet the budget objectives as have been determined by the Appropriations Committee, he added.

Gary Haulmark responded to questions from committee members regarding possible staff reductions within the state hospitals. He stated that the department would comply with the CMS requirements to meet staffing levels, guidelines and mandates. All programs will be reviewed by the secretary and stakeholders, and budget reductions identified based on final legislative action. The impact on programs and services with any budget reductions will be provided to the committee prior to implementation. All viable options

## CONTINUATION SHEET

Minutes of the House Appropriations Committee on April 18 & 19, 2011, in Room 346-S of the Capitol. will be taken into consideration, he added.

Discussion followed by committee members regarding budget crisis within the state finances and the impact on critical needs of the state's most vulnerable citizens.

Chairman Rhoades stated that changes for the next session will include a priority based budget template for every department that will be completed and submitted to the committee. This will assist committee members as they address specific issues, he added.

### **Expanded Lottery Funds**

Representative Gatewood requested additional information from the budget director on the Governor's recommendation directing dollars from the SGF for the expanded lottery funds.

Chairman Rhoades reviewed the agenda for next week. He stated that the next committee meeting will be held on Wednesday, April 27 and will include continued work on the Omnibus Bill and a hearing on **HB 2149**.

Meeting adjourned at: 11:34 a.m.
