29 informing the company of its scrutinized company status and that it may  
30 become subject to divestment by the board. The notice must inform the  
31 company of the opportunity to clarify its Iran-related activities and  
32 encourage the company, within 90 days, to cease its scrutinized business  
33 activities or convert such activities to inactive business activities in order  
34 to avoid qualifying for divestment by the board. Such notice shall be sent  
35 no later than 135 days after the effective date of this act. If, within 90 days  
36 after the board's first engagement with a company pursuant to this  
37 paragraph, the company announces by public disclosure substantial action  
38 specific to Iran, the board may maintain its direct holdings, but the  
39 company shall remain on the scrutinized companies with activities in the  
40 Iran petroleum energy sector list pending completion of its cessation of  
41 scrutinized business activities.

27 not apply to the KPERS fund's indirect holdings. However, the board  
28 shall submit letters to the managers of any managed investment funds  
29 containing companies on the scrutinized companies with activities in the  
30 Iran petroleum energy sector list that such managers consider removing  
31 such companies from the fund or create a similar actively managed fund  
32 having indirect holdings devoid of such companies. If the manager creates  
33 a similar fund devoid of such securities or if such funds are created  
34 elsewhere, the board shall determine within six months whether to replace  
35 all applicable investments with investments in the similar fund in an  
36 expedited timeframe consistent with prudent investing standards. For the  
37 purposes of this section, a private equity fund is deemed to be an actively  
38 managed investment fund.

39 (d) The board shall file a report with the joint committee on pensions,  
40 investments and benefits that includes the scrutinized companies with  
41 activities in the Iran petroleum energy sector list within 30 days after the  
42 list is created. This report shall be made available to the public. On an  
43 annual basis thereafter, the board shall file a report which shall be made

22 interferes with the conduct of United States foreign policy.

23 (f) With respect to actions taken in compliance with this act, including  
24 all good faith determinations regarding companies as required by this act,  
25 the Kansas public employees retirement system is exempt from any  
26 conflicting statutory or common law obligations, including any such  
27 obligations with respect to choice of asset managers, investment funds, or  
28 investments for the KPERs fund's securities portfolios.

29 (g) If any provision of this act or its application to any person or  
30 circumstance is held invalid, the invalidity does not affect other provisions  
31 or applications of the act that can be given effect without the invalid  
32 provision or application, and to this end, the provisions of this act are  
33 severable. The legislature hereby declares that it would have passed this
