

Justice Reinvestment Working Group; HB 2684

HB 2684 requires the Secretary of Corrections to establish a Justice Reinvestment Working Group (Working Group) composed of 17 members appointed by various officials in each branch of Kansas government and by law enforcement associations. The Working Group is charged to study data-driven, fiscally-responsible policies and practices that can increase public safety and reduce recidivism and spending on corrections in Kansas. The Working Group is required to submit a report of its activities and recommendations to the Secretary of the Senate and the Chief Clerk of the House of Representatives on or before January 1, 2013.
