

**REVISED**  
*SESSION OF 2011*

**SUPPLEMENTAL NOTE ON SENATE BILL NO. 97**

As Further Amended by House Committee on  
Appropriations

**Brief\***

SB 97 would extend for one year the judicial surcharge the Legislature authorized in 2010 Senate Sub. for HB 2476 to fund non-judicial personnel. The bill would increase the Judicial Branch Surcharge 25 percent in FY 2012.

The bill also would delay the expansion of the Court of Appeals from 13 to 14 judges for one year, until December 31, 2012.

**Background**

The Judicial Branch requested the Senate Judiciary Committee introduce SB 97. As introduced, the bill would have extended the Judicial surcharge for another year.

In the Senate Judiciary Committee, a representative of the Judicial Branch appeared in support of the bill. No opponents provided testimony. The Committee amended the bill by eliminating the sunset dates and recommended it be passed as amended.

The House Judiciary Committee amended the bill to restore the one-year extension of the sunset dates and to add the provision delaying the expansion of the Court of Appeals. The House Committee recommended the bill be passed as amended.

The House Appropriations Committee amended the bill to increase the Judicial Branch Surcharge 25 percent in FY 2012. The agency indicated that the additional surcharge would increase surcharge revenue by an additional \$1,994,336. Total Judicial Branch Surcharge revenue for FY 2012 is estimated to be \$10,995,360.

The fiscal note on the bill, as introduced, states the Judicial Branch FY 2012 budget, as submitted to the Legislature and included in *The FY 2012 Governor's Budget Report*, is based upon continuation of the surcharge. It is estimated the surcharge will produce \$9 million in revenues in FY 2012 for the Judicial Branch to use in funding non-judicial personnel. There is no fiscal note for the bill as amended.
