

## 2012 Kansas Statutes

**2-1113. Dressed poultry; increasing weight prohibited.** It shall be unlawful for any person, firm or corporation to inject, or cause to be injected, water or any other substance by means of what is known as a "needle" or "watergun" or by any other means, into dressed poultry that is prepared and/or offered for sale or sold in the state of Kansas, when such injection would increase the weight of such poultry.

**History:** L. 1933, ch. 176, § 1; Feb. 15.
