

2012 Kansas Statutes

2-1117. Prohibiting use of end intake air probes; penalty. (a) On and after September 1, 1980, no person shall operate an end intake air probe for the collection of grain samples for the testing of grains offered for sale, processing or storage.

(b) Any person violating the provisions of this act, upon conviction, shall be fined in an amount not to exceed one thousand dollars (\$1,000).

History: L. 1980, ch. 121, § 2; April 11.
