

2012 Kansas Statutes

3-203. Violation of air commerce regulations. Any person who navigates any aircraft within this state or uses any aircraft for instruction in the art of navigation in violation of air commerce regulations which have been or may hereafter be promulgated by the department of commerce of the United States, shall be punished as hereinafter provided.

History: L. 1931, ch. 6, § 3; March 16.
