

2012 Kansas Statutes

12-1790. Same; advisory board; duties. The governing body of a city establishing a business improvement district under the provisions of this act shall provide by ordinance for an advisory board for each such district, the members of which shall be representative of businesses located within the district. The board shall perform such duties as may be prescribed by ordinance and shall, not later than May 15 of each year, submit to the governing body a recommended program of services to be performed or provided within the district during the coming calendar year and a proposed budget to accomplish these objectives. Nothing herein shall prohibit the members of such advisory board from also serving on the board of directors of a not-for-profit corporation with which the city may contract to provide specified services within the district, but no member of the board shall, directly or indirectly, receive compensation for service on the board.
