

2012 Kansas Statutes

12-2828. Letting of certain contracts; bids; exceptions. All contracts for the sale of property of the value of more than two thousand five hundred dollars (\$2,500) or for any concession in or lease of property of the authority for a term of more than one year shall be awarded to the highest responsible bidder, after advertising for bids. All construction contracts and contracts for supplies, materials, equipment and services, when the expense thereof will exceed two thousand five hundred dollars (\$2,500), shall be let to the lowest responsible bidder, after advertising for bids, excepting (1) when by vote of at least four members of the board, it is determined that an emergency requires immediate delivery of supplies, materials or equipment or performance of services; (2) when repair parts, accessories, equipment or services are required for equipment or services previously furnished or contracted for; (3) when the nature of the services required is such that competitive bidding is not in the best interest of the public, including, without limiting the generality of the foregoing, the services of accountants, architects, attorneys, engineers, physicians, superintendents of construction, and others possessing a high degree of skill; (4) when services such as water, light, heat, power, telephone or telegraph are required.

All contracts involving less than two thousand five hundred dollars (\$2,500) shall be let by competitive bidding whenever possible, and in any event in a manner calculated to insure the best interests of the public.

In determining the responsibility of any bidder, the board may take into account past record of dealings with the bidder, experience, adequacy of equipment, ability to complete performance within the time set, and other factors besides financial responsibility, but in no case shall any such contract be awarded to any other than the highest bidder (in case of sale, concession or lease) or the lowest bidder (in case of purchase or expenditure) unless authorized or approved by a vote of at least four members of the board, and unless such action is accompanied by a statement in writing setting forth the reasons for not awarding the contract to the highest or lowest bidder, as the case may be, which statement shall be kept on file in the principal office of the authority and open to public inspection.

Contracts shall not be split into parts involving expenditure of less than two thousand five hundred dollars (\$2,500) for the purpose of avoiding the provisions of this section, and all such split contracts shall be void. If any collusion occurs among bidders or prospective bidders in restraint of freedom of competition, by agreement to bid a fixed amount or to refrain from bidding, or otherwise, the bids of such bidders shall be void. Each bidder shall accompany his or her bid with a sworn statement that he or she has not been a party to any such agreement.

The board shall have the right to reject all bids and to readvertise for bids. If after such readvertisement no responsible and satisfactory bid, within the terms of the advertisement, shall be received, the board may award such contract without competitive bidding, provided that it shall not be less advantageous to the authority than any valid bid received pursuant to advertisement.
