

2012 Kansas Statutes

12-5506. Same; sale or lease of land and facilities; bonds, loans, grants; eminent domain, prohibited. The municipality, in compliance with the service agreement, may sell or lease to the private contractor or any other municipality, on terms and conditions as the municipality considers appropriate, any existing related facilities, including land owned by the municipality. The municipality also may issue bonds, borrow money and accept grants for the acquisition of land or related facilities, to the extent and in the manner otherwise authorized by law, but no such land or facilities shall be sold or given to the private contractor. Nothing in this act shall authorize a municipality to acquire land by eminent domain for sale or gift to a private contractor.
