

2012 Kansas Statutes

13-3105. Same; extension of system outside city. Any such city engaging in the business of transportation may extend its transit system to points outside such city where necessary and incidental to furnishing efficient transportation service to points within such city, subject to the limitation contained in K.S.A. 13-3110.

History: L. 1965, ch. 123, § 5; May 15.
