

2012 Kansas Statutes

13-3107. Same; eminent domain. The power of eminent domain is granted to such cities for the purpose of acquiring land, equipment, supplies, buses, contracts and other assets from persons, firms or corporations holding franchises from any such cities for the conduct of transit systems and the transportation of persons or property or from any other person, firm or corporation.

History: L. 1965, ch. 123, § 7; May 15.
