

2012 Kansas Statutes

15-914. Agreements for cooperation in ownership and maintenance of swimming pool; apportionment of costs, tax levies; contributions of governmental entities. The governing body of any city of the third class, the governing body of the county wherein such city is located and the governing body of any school district or districts with an attendance center located in said county, or any two or more of such governing bodies, one of which shall be that of said county, may negotiate and enter into an agreement for the purpose of cooperating in the ownership, construction, maintenance, improvement and operation of a swimming pool and related facilities. Any such agreement shall provide for an apportionment among said city, county and school district or districts, of the cost and maintenance thereof. Each of the participating taxing subdivisions are hereby authorized and directed to levy a general tax upon the property within their respective districts for the purpose of paying their proportionate share of the costs incurred under such agreement and to pay a portion of the principal and interest on bonds issued by cities under the authority of K.S.A. 12-1774, and amendments thereto, for the financing of redevelopment projects upon property located in such county or school district. Participating cities and school districts are hereby authorized to contribute to the participating county moneys from the proceeds of such tax levies in the amount necessary to pay that portion of the principal and interest of bonds issued by the county under the provisions of K.S.A. 15-915 attributable to such city and school district or districts under such agreement.
