

2012 Kansas Statutes

15-1016a. Same; use of funds from sale of lots in certain districts. The board of directors of any cemetery district located in a county having a population of more than four thousand (4,000) and not more than five thousand (5,000) and an assessed tangible valuation of not more than eighteen million dollars (\$18,000,000) may set aside all or any portion of the proceeds arising from the sale of lots in any cemetery of such district in a fund which shall be used only for the purpose of procuring additional lands to be used for cemetery purposes.

History: L. 1969, ch. 111, § 3; July 1.
