

2012 Kansas Statutes

19-2723. Same; petition. No board of county commissioners shall make any contract for lighting under this act unless a petition in writing asking for such improvement shall be presented to such board of county commissioners signed by the owners of a majority of the front feet of the land abutting on the street or highway or a portion of the street or highway proposed to be lighted.

History: L. 1931, ch. 158, § 3; May 28.
