

2012 Kansas Statutes

19-2778. Same; power of directors to operate revenue producing works. The board of directors of any improvement district are authorized to operate and maintain any revenue producing works or to contract for the operation and maintenance of same and to do all other things necessary for proper conduct of the operation and maintenance of such works. They shall establish rates and charges and shall have the power to change such rates or charges if it be deemed necessary.

History: L. 1945, ch. 180, § 26; June 28.
