

2012 Kansas Statutes

19-2883. Same; establishment; resolution, name. The board of county commissioners of any county which has been designated as an urban area by the legislature, may, upon determination, by resolution, that the establishment of a park district will promote the interests of the county, create a park district which shall include all of the area comprising such county. The park district thus created shall be known by the name of "the _____ county park district."

History: L. 1963, ch. 193, § 2; June 30.
