

2012 Kansas Statutes

19-2896. Same; revenue bonds for capital improvements. The county park district board may issue revenue bonds to finance the cost of purchasing and constructing revenue producing capital improvements, and such bonds shall be a specific lien upon properties and facilities constructed and improved and the revenue derived therefrom including fees of all kinds, including tolls, charges and other revenues which may be pledged for their payment; and shall in no case be a debt that is guaranteed or secured by any other property within the district; and no special election shall be required to authorize the issuance of such bonds.

History: L. 1963, ch. 193, § 15; June 30.
