

2012 Kansas Statutes

19-2955. Same; termination of zoning authority. The authority of any improvement district to adopt or enforce zoning regulations under the authority of this act shall cease and terminate on the date the county in which the district is located adopts and places in effect zoning regulations affecting lands and buildings located within such district.

History: L. 1982, ch. 61, § 6; July 1.
