

2012 Kansas Statutes

22-2912. District court rules for diversion procedures; 22-2906 to 22-2911, inapplicable; factors.

The provisions of this act shall not be applicable in judicial districts that adopt district court rules pursuant to K.S.A. 20-342 for the administration of diversion procedures by the district court. In judicial districts where the district court adopts such rules for diversion procedures, the court in considering whether or not to allow diversion to a defendant shall consider, but is not limited to, the factors enumerated in K.S.A. 22-2908.
