

2012 Kansas Statutes

24-1237. Same; costs of publication and notice; permit to require road markers. All costs in connection with the publication and the notice shall be paid by the watershed district. In event the county or township board issues a permit allowing the intermittent closing of the road, then the permit shall contain a provision that the watershed district will cause suitable markers to be installed on the road to advise of the intermittent closing of the road.

History: L. 1974, ch. 270, § 4; March 8.
