

2012 Kansas Statutes

27-102b. Taxing certain property upon military reservations. The property of any private corporation engaged in the business of owning or operating housing projects upon United States military reservations in this state shall be assessed and taxed annually, and the county in which the housing project lies geographically as determined by the descriptions set out in chapter 18 of the Kansas Statutes Annotated shall have jurisdiction over such housing projects for the purposes of taxation.

History: L. 1951, ch. 506, § 1; Feb. 28.
