

2012 Kansas Statutes

27-329. Same; definitions. As used in this act: (a) "City" means a city to which this act applies as provided in K.S.A. 27-328;

(b) "county" means a county to which this act applies as provided in K.S.A. 27-328;

(c) "authority" means a public airport authority created pursuant to this act;

(d) "property" means any interest in any real or personal property acquired or available for acquisition by the authority from the United States or any of its agencies, the state of Kansas, any political subdivision thereof, or any other person;

(e) "employee" means an employee of the authority created pursuant to this act;

(f) "public airport" means a public airport, as defined in the federal airport act of 1946, as amended, and shall include such property which, in the determination of the administrator of the federal aviation agency is essential, suitable or desirable for the development, improvement, operation or maintenance of such public airport or reasonably necessary to fulfill the immediate and foreseeable future requirements of such public airport for the development, improvement, operation or maintenance of such public airport, including property needed to develop sources of revenue from nonaviation businesses at such public airport;

(g) "board of directors" means the board of directors of the authority; and

(h) "director" means a member of the board of directors of the authority.

History: L. 1978, ch. 148, § 3; April 20.
