40-2,159. Reports on a nonconsolidated basis; exception. Insurers are required to report all material acquisitions and dispositions of assets and all material nonrenewals, cancellations or revisions of ceded reinsurance agreements on a nonconsolidated basis unless the insurer is part of a consolidated group of insurers which utilizes a pooling arrangement or 100% reinsurance agreement that affects the solvency and integrity of the insurer's reserves and the insurer ceded substantially all of its direct and assumed business to the pool. An insurer is deemed to have ceded substantially all of its direct and assumed business to a pool if the insurer has less than \$1,000,000 total direct plus assumed written premiums during a calendar year that are not subject to a pooling arrangement and the net income of the business not subject to the pooling arrangement represents less than 5% of the insurer's capital and surplus.
