

2012 Kansas Statutes

40-4705. Same; health committee; subsidies for coverage. The health committee may provide a mechanism for direct subsidies to low and modest wage employees of employers acquiring coverage through a direct contract with a carrier rather than through the health partnership, and for provision to such employees of a supplemental benefit plan as described in subsection (a) of K.S.A. 40-4704.

History: L. 2000, ch. 147, § 51; July 1.
