

2012 Kansas Statutes

48-324. Lease of portions of certain armories for use as preschools authorized; rules and regulations; evacuation in emergencies; rental charges; disposition of proceeds. (a) In accordance with this section, portions of Kansas army and air national guard armories located in cities having populations of less than 4,000 may be leased for use on a regular basis for preschools which are providing educational and other programs for preschool children and which are licensed by the secretary of health and environment under K.S.A. 65-501 *et seq.* and amendments thereto.

(b) The adjutant general shall adopt necessary rules and regulations prescribing procedures for the leasing and operation of portions of Kansas army and air national guard armories located in cities having populations of less than 4,000 by individuals, associations, organizations and corporations for use on a regular basis as preschools as described in subsection (a). Such preschools in armories shall be operated in a manner which is compatible and which does not interfere with the normal operations of the Kansas army and air national guard units assigned to the armories. The adjutant general may prescribe procedures for the evacuation of the property of any such preschool from an armory in cases of emergency requiring the use of all portions of the armory by Kansas army or air national guard units.

(c) Rental charges for the use of a portion of an armory for a preschool under this section shall be imposed only to recover the costs actually incurred as a result of and attributable to such use, including but not limited to utility, janitorial and other maintenance expenses. Such rental charges shall be fixed in accordance with rules and regulations adopted by the adjutant general. Revenues from such charges shall be disposed of in accordance with K.S.A. 48-309 and amendments thereto and rules and regulations adopted thereunder.
