

2012 Kansas Statutes

55-228. Same; waiver of presumption prohibited. As created by this act, it shall be against Kansas public policy to provide for a waiver of the presumption, established by K.S.A. 55-223, in any lease or sublease for the exploration, development or production of oil, gas or other mineral, or any combination thereof.

History: L. 1983, ch. 181, § 6; April 14.
