

2012 Kansas Statutes

60-802. Procedure for relief. (a) *Generally.* Relief in the form of mandamus shall be obtained under the same procedure as relief in other civil actions. If it be desired in connection with any mandamus proceeding to stay any proceedings or acts pending determination of the mandamus proceeding, the plaintiff may combine therewith an application for relief under article 9 of this chapter. The judgment in mandamus shall specify with particularity the act or acts which the defendant is compelled to perform or enjoined from performing.

(b) *Peremptory order.* When the right to require the performance of the act is clear, and it is apparent that no valid excuse can be given for not performing it, a peremptory order of mandamus may be allowed in the first instance.

(c) *Damages.* If judgment be given for the plaintiff, he or she may also recover such damages as he or she may have sustained by reason of the failure of the defendant to perform the specified duty, together with costs.
