

2012 Kansas Statutes

65-474. Same; insurance and other coverage to provide benefits for services performed by a critical access hospital. Each individual and group policy of accident and sickness insurance, each contract issued by health maintenance organizations and all coverage maintained by an entity authorized under K.S.A. 40-2222 and amendments thereto or by a municipal group funded pool authorized under K.S.A. 12-2618 and amendments thereto shall provide benefits for services when performed by a critical access hospital if such services would be covered under such policies or contracts if performed by a general hospital.

History: L. 1992, ch. 158, § 7; L. 1998, ch. 53, § 6; July 1.
