

2012 Kansas Statutes

65-5a05. Fees of hospitals, health facilities, physicians and other specialists; approval. Each of the hospitals or health facilities designated by the secretary of health and environment to provide medical and surgical services for children with special health care needs may collect a basic fee, not to exceed the reasonable costs of such services as approved by the secretary, for each patient provided with services. Physicians and other specialists may collect for services rendered to any such patient such fees as may be approved by the secretary of health and environment.
