A nonresident pharmacy registration shall be renewed annually on forms provided by the board, upon compliance by the nonresident pharmacy with the provisions of this section and rules and regulations adopted pursuant to this section and upon payment of the renewal fee established under K.S.A. 65-1645, and amendments thereto, for the renewal of a pharmacy registration.

(b) As conditions for the granting of a registration and for the renewal of a registration for a nonresident pharmacy, the nonresident pharmacy shall comply with the following:

(1) Provide information to the board to indicate the person or persons applying for the registration, the location of the pharmacy from which the prescription drugs will be dispensed, the names and titles of all principal owners and corporate officers, if any, and the names of all pharmacists dispensing prescription drugs to residents of Kansas;

(2) be registered and in good standing in the state in which such pharmacy is located;

(3) maintain, in readily retrievable form, records of prescription drugs dispensed to Kansas patients;

(4) supply upon request, all information needed by the board to carry out the board's responsibilities under this section and rules and regulations adopted pursuant to this section;

(6) provide toll-free telephone communication consultation between a Kansas patient and a pharmacist at the pharmacy who has access to the patient's records, and ensure that the telephone number(s) will be placed upon the label affixed to each prescription drug container dispensed in Kansas; and

(7) provide to the board such other information as the board may reasonably request to administer the provisions of this section.

(c) When any nonresident pharmacy fails to supply requested information to the board or fails to respond to proper inquiry of the board, after receiving notice by certified mail, the board may assess a civil fine in accordance with the provisions in K.S.A. 65-1658, and amendments thereto.

(d) Each nonresident pharmacy shall comply with the following unless compliance would be in conflict with specific laws or rules and regulations of the state in which the pharmacy is located:

(1) All statutory and regulatory requirements of Kansas for controlled substances, including those that are different from federal law;

(2) labeling of all prescriptions dispensed, to include, but not be limited to, identification of the product and quantity dispensed;

(3) all the statutory and regulatory requirements of Kansas for dispensing prescriptions in accordance with the quantities indicated by the prescriber; and

(4) the Kansas law regarding the maintenance and use of the patient medication profile record system.

(e) In addition to subsection (d) requirements, each nonresident pharmacy shall comply with all the statutory and regulatory requirements of Kansas regarding drug product selection laws whether or not such compliance would be in conflict with specific laws or rules and regulations of the state in which the pharmacy is located, except that compliance which constitutes only a minor conflict with specific laws or rules and regulations of the state in which the pharmacy is located would not be required under this subsection.

(f) Each nonresident pharmacy shall develop and provide the board with a policy and procedure manual that sets forth:

(1) Normal delivery protocols and times;

(2) the procedure to be followed if the patient's medication is not available at the nonresident pharmacy, or if delivery will be delayed beyond the normal delivery time;

(3) the procedure to be followed upon receipt of a prescription for an acute illness, which policy shall include a procedure for delivery of the medication to the patient from the nonresident pharmacy at the earliest possible time, or an alternative that assures the patient the opportunity to obtain the medication at the earliest possible time; and

(4) the procedure to be followed when the nonresident pharmacy is advised that the patient's medication has not been received within the normal delivery time and that the patient is out of medication and requires interim dosage until mailed prescription drugs become available.

(g) Except in emergencies that constitute an immediate threat to the public health and require prompt action by the board, the board may file a complaint against any nonresident pharmacy that violates any provision of this section. This complaint shall be filed with the regulatory or licensing agency of the state in which the nonresident pharmacy is located. If the regulatory or licensing agency of the state in which the nonresident pharmacy is located fails to resolve the violation complained of within a reasonable time, not less than 180 days from the date that the complaint is filed, disciplinary proceedings may be initiated by the board. The board also may initiate disciplinary actions against a nonresident pharmacy if the regulatory or licensing agency of the state in which the nonresident pharmacy is located lacks or fails to exercise jurisdiction.

(h) The board shall adopt rules and regulations that make exceptions to the requirement of registration by a nonresident pharmacy when the out-of-state pharmacy supplies lawful refills to a patient from a prescription that was originally filled and delivered to a patient within the state in which the nonresident pharmacy is located, or when the prescriptions being mailed into the state of Kansas by a nonresident pharmacy occurs only in isolated transactions. In determining whether the prescriptions being mailed into the state of Kansas by a nonresident pharmacy are isolated transactions, the board shall consider whether the pharmacy has promoted its services in this state and whether the pharmacy has a contract with any employer or organization to provide pharmacy services to employees or other beneficiaries in this state.

(i) It is unlawful for any nonresident pharmacy which is not registered under this act to advertise its services

in this state, or for any person who is a resident of this state to advertise the pharmacy services of a nonresident pharmacy which has not registered with the board, with the knowledge that the advertisement will or is likely to induce members of the public in this state to use the pharmacy to fill prescriptions.

(j) Upon request of the board, the attorney general may bring an action in a court of competent jurisdiction for injunctive relief to restrain a violation of the provisions of this section or any rules and regulations adopted by the board under authority of this section. The remedy provided under this subsection shall be in addition to any other remedy provided under this section or under the pharmacy act of the state of Kansas.

(k) The board may adopt rules and regulations as necessary and as are consistent with this section to carry out the provisions of this section.

(l) The executive secretary of the board shall remit all moneys received from fees under this section to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the manner specified under K.S.A. 74-1609, and amendments thereto.

(m) A violation of this section is a severity level 10, nonperson felony.

(n) This section shall be part of and supplemental to the pharmacy act of the state of Kansas.
