

2012 Kansas Statutes

65-1685a. Same; database information privileged and confidential; persons authorized to receive data. [See Revisor's Note] (a) The prescription monitoring program database, all information contained therein and any records maintained by the board, or by any entity contracting with the board, submitted to, maintained or stored as a part of the database, shall be privileged and confidential, shall not be subject to subpoena or discovery in civil proceedings and may only be used for investigatory or evidentiary purposes related to violations of state or federal law and regulatory activities of entities charged with administrative oversight of those persons engaged in the prescribing or dispensing of scheduled substances and drugs of concern, shall not be a public record and shall not be subject to the Kansas open records act, K.S.A. 45-215 et seq., and amendments thereto, except as provided in subsections (c) and (d).

(b) The board shall maintain procedures to ensure that the privacy and confidentiality of patients and patient information collected, recorded, transmitted and maintained is not disclosed to persons except as provided in subsections (c) and (d).

(c) The board is hereby authorized to provide data in the prescription monitoring program to the following persons:

(1) Persons authorized to prescribe or dispense scheduled substances and drugs of concern, for the purpose of providing medical or pharmaceutical care for their patients;

(2) an individual who requests the individual's own prescription monitoring information in accordance with procedures established by the board;

(3) designated representatives from the professional licensing, certification or regulatory agencies charged with administrative oversight of those persons engaged in the prescribing or dispensing of scheduled substances and drugs of concern;

(4) local, state and federal law enforcement or prosecutorial officials engaged in the administration, investigation or enforcement of the laws governing scheduled substances and drugs of concern subject to the requirements in K.S.A. 22-2502, and amendments thereto;

(5) designated representatives from the department of health and environment regarding authorized medicaid program recipients;

(6) persons authorized by a grand jury subpoena, inquisition subpoena or court order in a criminal action;

(7) personnel of the prescription monitoring program advisory committee for the purpose of operation of the program; and

(8) personnel of the board for purposes of administration and enforcement of this act or the uniform controlled substances act, K.S.A 65-4101 et seq., and amendments thereto.

(d) The board is hereby authorized to provide data in the prescription monitoring program to public or private entities for statistical, research or educational purposes after removing information that could be used to identify individual practitioners, dispensers, patients or persons who received prescriptions from dispensers.
