

2012 Kansas Statutes

65-1688. Same; act does not create civil liability or duty. No person authorized to prescribe or dispense scheduled substances and drugs of concern shall be liable to any person in a civil action for damages or other relief for injury, death or loss to person or property on the basis that such person authorized to prescribe or dispense scheduled substances and drugs of concern did or did not seek or obtain information from the prescription monitoring program prior to prescribing or dispensing scheduled substances and drug of concern to a patient. Nothing in this act shall be construed to create a duty or otherwise require a person authorized to prescribe or dispense scheduled substances and drug of concern to obtain information about a patient from the prescription monitoring program prior to prescribing or dispensing scheduled substances and drug of concern to such patient.
