

2012 Kansas Statutes

65-3424b. Permits and standards. (a) The secretary shall establish a system of permits for mobile waste tire processors, waste tire processing facilities, waste tire transporters and waste tire collection centers. Such permits shall be issued for a period of one year and shall require an application fee established by the secretary in an amount not exceeding \$250 per year.

(b) The secretary shall adopt rules and regulations establishing standards for mobile waste tire processors, waste tire processing facilities, waste tire collection centers and waste tire transporters. Such standards shall include a requirement that the permittee file with the secretary a bond or other financial assurance in an amount determined by the secretary to be sufficient to pay any costs which may be incurred by the state to process any waste tires or dispose of any waste tires or processed waste tires if the permittee ceases business or fails to comply with this act.

(c) Any person who contracts or arranges with another person to collect or transport waste tires for storage, processing or disposal shall so contract or arrange only with a person holding a permit from the secretary. Any person contracting or arranging with a person, permitted by the secretary, to collect or transport waste tires for storage, processing or disposal, transfers ownership of those waste tires to the permitted person and the person contracting or arranging with the person holding such permit to collect or transport such tires shall be released from liability therefor. Any person contracting or arranging with any person, for the collection, transportation, storage, processing, disposal or beneficial use of such tires shall maintain a record of such transaction for a period of not less than three years following the date of the transfer of such tires. Record-keeping requirements for beneficial use shall not apply when tire retailers allow customers to retain their old tires at the time of sale.

(d) The owner or operator of each site that contains a waste tire, used tire or new tire accumulation of any size must control mosquito breeding and other disease vectors.

(e) No person shall own or operate a waste tire processing facility or waste tire collection center or act as a mobile waste tire processor or waste tire transporter unless such person holds a valid permit issued therefor pursuant to subsection (a), except that:

(1) A tire retreading business where fewer than 1,500 waste tires are kept on the business premises may operate a waste tire collection center on the premises;

(2) a business that, in the ordinary course of business, removes tires from motor vehicles where fewer than 1,500 of these tires are kept on the business premises may operate a waste tire collection center or a waste tire processing facility or both on the premises;

(3) a retail tire-selling business where fewer than 1,500 waste tires are kept on the business premises may operate a waste tire collection center or a waste tire processing facility or both on the premises;

(4) the Kansas department of wildlife, parks and tourism may perform one or more of the following to facilitate a beneficial use of waste tires: (A) Operate a waste tire collection center on the premises of any state park, state wildlife area or state fishing lake; (B) operate a waste tire processing facility on the premises of any state park, state wildlife area or state fishing lake; or (C) act as a waste tire transporter to transport waste tires to any state park, state wildlife area or state fishing lake;

(5) a person engaged in a farming or ranching activity, including the operation of a feedlot as defined by K.S.A. 47-1501, and amendments thereto, may perform one or more of the following to facilitate a beneficial use of waste tires: (A) Operate an on-site waste tire collection center; (B) operate an on-site waste tire processing facility; or (C) act as a waste tire transporter to transport waste tires to the farm, ranch or the feedlot;

(6) a watershed district may perform one or more of the following to facilitate a beneficial use of waste tires: (A) Operate a waste tire collection center on the premises of a watershed district project or work of improvement; (B) operate a waste tire processing facility on the district's property; or (C) act as a waste tire transporter to transport waste tires to the district's property;

(7) a person may operate a waste tire collection center if: (A) Fewer than 1,500 used tires are kept on the premises; or (B) 1,500 or more used tires are kept on the premises, if the owner demonstrates through sales and inventory records that such tires have value, as established in accordance with standards adopted by rules and regulations of the secretary;

(8) local units of government managing waste tires at solid waste processing facilities or solid waste disposal areas permitted by the secretary under the authority of K.S.A. 65-3407, and amendments thereto, may perform one or more of the following in accordance with the conditions of the solid waste permit: (A) Operate a waste tire collection center on the premises of the permitted facility; (B) operate a waste tire processing facility on the premises of the permitted facility; (C) act as a waste tire transporter to transport waste tires to the permitted facility; or (D) act as a mobile waste tire processor;

(9) a person may act as a waste tire transporter to transport: (A) Waste tires mixed with other municipal solid waste; (B) fewer than five waste tires for lawful disposal; (C) waste tires generated by the business, farming activities of the person or the person's employer; (D) waste tires for a beneficial use approved by statute, rules and regulations, or by the secretary; (E) waste tires from an illegal waste tire accumulation to a person who has been issued a permit by the secretary pursuant to K.S.A. 65-3407 or 65-3424b, and amendments thereto, provided approval has been obtained from the secretary; or (F) five to 50 waste tires for lawful disposal, provided the transportation act is a one time occurrence to abate a legal accumulation of waste tires; or

(10) a tire retailer that in the ordinary course of business also serves as a tire wholesaler to other tire retailers may act as a waste tire transporter to transport waste tires from those retailers back to a central location owned or operated by the wholesaler for consolidation and final disposal or recycling.

(f) All fees collected by the secretary pursuant to this section shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the waste tire management fund.
