

2012 Kansas Statutes

65-3488. Time period for permits; permits revocable or subject to suspension; appeals. (a) Permits for PCB disposal facilities shall be issued for fixed terms not to exceed 10 years.

(b) Plans, designs and relevant data for the construction of PCB disposal facilities shall be prepared by a professional engineer licensed to practice in Kansas and shall be submitted to the department for approval prior to the construction, modification or operation of such a facility.

(c) Permits granted by the secretary, as provided in this act, shall be revocable or subject to suspension whenever the secretary determines that the PCB disposal facility is, or has been constructed in violation of this act or the rules and regulations or standards adopted pursuant to the act, or is creating a hazard to the public health or safety or to the environment, or for failure to make payment of any fee to any funds created under this act.

(d) In case any permit is denied, suspended or revoked any person aggrieved by such decision may request a hearing before the secretary in the same manner provided by K.S.A. 65-3440, and amendments thereto. Such hearings shall be conducted in accordance with the Kansas administrative procedure act.
