

2012 Kansas Statutes

65-5904. Rules and regulations for implementation of act. The secretary may adopt rules and regulations necessary for the implementation of this act including, but not limited to, setting standards for approval of courses of study under this act, setting standards for approval of planned, continuous programs of dietetic experience and establishing procedures for the examination of applicants. No rule and regulation shall be adopted which would limit the sale of food products or food supplements by health food stores or others.

History: L. 1988, ch. 228, § 4; July 1.
