

2012 Kansas Statutes

65-6129a. Supervision of students or attendants during training and continuing education. (a) While engaged in a course of training or continuing education approved by the board within a medical care facility, a student or attendant engaged in such training or continuing education shall be under the supervision of a physician or a professional nurse. While engaged in training or continuing education in emergency or nonemergency transportation outside a medical care facility, a student or attendant shall be under the direct supervision of an attendant who is at the minimum certified to provide the level of care for which the student is seeking certification or the attendant receiving the training is certified or shall be under the direct supervision of a physician or a professional nurse.

(b) Nothing in the provisions of article 61 of chapter 65 of the Kansas Statutes Annotated or acts amendatory of the provisions thereof or supplemental thereto shall be construed to preclude the provision of authorized activities by students enrolled in a training program while engaged in such program.
