

2012 Kansas Statutes

66-117d. Discrimination in rates to customers utilizing renewable energy sources prohibited. No electric or gas utility providing electrical or gas service in this state shall consider the use of any renewable energy source other than nuclear by a customer as a basis for establishing higher rates or charges for any service or commodity sold to such customer nor shall any such utility subject any customer utilizing any renewable energy source other than nuclear to any other prejudice or disadvantage on account of the use of any such renewable energy source.

History: L. 1980, ch. 201, § 1; July 1.
