

2012 Kansas Statutes

66-143. Interstate rates; corporation commission intervention in proceedings before federal agencies. The corporation commission shall have power to intervene in any case pending before the relevant federal agency in which interstate rates, service or safety affecting the interest of Kansas motor carriers, common carriers or shippers are involved, and the commission is hereby empowered and directed to pay all expenses of investigation and prosecution of litigation instituted under this section out of the contingent fund of the commission.

History: R.S. 1923, 66-143; L. 2000, ch. 78, § 4; L. 2001, ch. 92, § 6; July 1.
