

2012 Kansas Statutes

66-1,200. Natural gas public utilities; definitions. As used in this act:

(a) "Natural gas public utility" means any public utility defined in K.S.A. 66-104, and amendments thereto, which supplies natural gas.

(b) "Commission" means the state corporation commission.

History: L. 1985, ch. 225, § 3; July 1.
